HCL Connections

People Power Your Business Connections Powers Your People

HCL Connections is the digital workplace platform that brings all your employees and their communities together to solve business problems, share expertise, and contribute to your company's culture.

Benefits & Value

Connect with your team anytime, anywhere: Take your collaboration toolbox with you. Stay connected regardless of whether you're working from home, in the office or on-the-go.

Collaborate seamlessly with remote team members: Connections offers a cohesive platform creating a trusted digital workplace that ensures data is secure, relevant, and easily accessible.

Drive increased engagement and precision: Keep employees focused with an engagement hub that streamlines communication and information access, keeps teams aligned, and delivers results.

Eliminate information silos: Make sharing content, information and conversations faster and more seamless than ever with the Connections integration to Microsoft 365.

Increase accountability and drive results: Take the pain away from managing tasks associated with team projects. Create project activity boards to keep everyone on your team focused and on the same page.

Keep employees engaged and tuned in: Bring together the right expertise and stakeholders for specific projects and connect organizational team members for enhanced collaboration.

Capabilities

- **Create flexible workspaces:** Communities organize your teams and content around common goals or projects to get work done faster and create a natural collaboration channel for team members.
